

R & D.A.A. MATCH SECRETARY'S REPORT

Sunday 7th November 2021

R & D.A.A. Association Shield

(River Kennet: Beat 4B to Beat 5B 20 Pegs)

This was our final match on the River Kennet for this season, with the remaining matches to be held on our section of the Kennet & Avon Canal at Froxfield. With the first frosts of the season arriving during the week prior to the match, a tough day was in store for all of the Competitors.

Twenty two Anglers were booked in for this match with two pegs remaining in the draw bag. The match day weather was dry, overcast with some sunny spells, cold and with a strong, cold and gusty wind blowing. The River Kennet had a slight colour and was flowing moderately.

Total match weight on the day was 25lbs 14ozs 0drms, (at an average weight of 11b 4ozs per Angler). There were twelve dry nets on the day.

The top three teams on the day were Courage with 12lbs 4ozs 0drms, TRBLAS with 11lbs 9ozs 0drms and Reading Civil Service with 11bs 0ozs 0drms.

Many thanks to all those that turned out on the day and who had to endure a tough five hours fishing. Thanks must also go to Piers Kernoghan for attending on the day to serve bacon rolls and tea and coffee in the morning.
