Sunday 21st June

Newtown AC went to Cottage Lane 2 for their latest match. Sixteen anglers were present for this and Match Secretary Terry Smith was triumphant with a winning weight of 14lb 9oz. This was made up of 2 bream that went 9lb 15oz and a Tench of 3lb 8oz, with a few silver fish. Runner up was Richard Herman with 4lb 8oz and 3rd was Stewart Howe with 1lb 7oz. Total weight 27lb 9oz.

Prestcold held their match on the River Thames at Wallingford B stretch. The Thames can be quite difficult for the first few weeks of the season with the roach doing a disappearing act – this was exactly the case for this match as the anglers had to do with catching chublets, perch and dace mainly. Andy Woolsey had other ideas and managed to catch a solitary bream of 5lb 8oz, which catapulted his winning weight to 8lb 7oz, 2nd on the day was the Bionic Bleaker Pete Godfrey making a return back to match fishing after a 2-year absence. Pete insisted he was going to fish this match for proper fish, alas the proper fish were lacking and the lure of the bleak got the better of him in the second half of the match, and it was the bleak which helped push him from nowhere to runner up spot with 4lb 6oz. Luke Wilcox was 3rd with 3lb 10oz. Total weight from the 8 anglers was 28lb 14oz.

Sundial were on Brown-Lee pool for their match. A total weight of 17lb 7oz and a winning weight of 12lb 3oz. Unfortunately Sundial have not sent me the winner's name or how and what they caught, 2nd weight was 4lb 11oz and 3rd 9oz.
