INFORMATION SHEET

JUNE 2020

COVID-19

We are now in the position that fishing and Match Fishing can go ahead as long as Covid -19 restrictions are in place. The Association additional match scheduled for Sunday 28th June will go ahead and relevant rules and restrictions will be announced soon.

VOLUNTEERS

We have not moved any further forward with either the Friday Drop-in Club or the weekend work parties. There is a work party on this coming Monday at the Littlemore waters if anyone is interested.

.2020-21 PERMITS

Online permit sales are selling very well but it is difficult to draw a comparison to last season issue as tackle shops do not return to full coverage until June 15th. We are selling permits in the match hut at Farnham Flint if you cannot make it online..

.BAILIFFING

A big thank you to all of our bailiffs for their assistance during the lockdown especially the one covering the lake venues. They have kept people off the venues and protected our fish stocks during this period. We have trialled a social media app that we intend to use in the new season. This keeps the bailiffs in contact with each other and reaction time much faster. I would also like to thank our members for staying away from the venues and making the Bailiffs job a lot easier. We only managed to withdraw two permits during this period.

CALLOWS & WILLMOTTS POOLS

Since we reopened the venues it has been good to see the amount of families on these two venues. The kids have been catching plenty of fish as our Facebook page is showing. Hopefully we will be able to get some kids events going before the end of the summer.
