

R&DAA

INFORMATION SHEET

MARCH 2020

AGM

The AGM will be held at Tilehurst Royal British Legion on Tuesday 17th March at 8pm. At present we have around twelve members wishing to attend.

VOLUNTEERS

Our thanks go to our President for organising a very successful first days of the Drop in Club and the work parties due to start this weekend (29th February 1st March.)

If you ;look at the RDAA Facebook page you will see that the volunteers have nearly finished the swims on the Callow's and Willmott's Pools and will be tackling Brownlee and Flint on Friday. Our first weekend work party is at Moatlands - details below. Let's try and get a good turnout.

- The Drop In Friday Club meets again this Feb 28th from 10-2pm (and every Friday thereafter) Meet at Farnham Flint hut for tea and hot rolls followed by Shrub clearance and Swim building.

- First Weekend Work Party now 29thFeb / 1st March from 10-2pm. Meet Moatlands for 10am. Shrub and tree clearance in order to create pathways/ swim clearing. We are aiming to turn this under used lake into our specialist bream and tench water. This work party will qualify you for one stamp on your RDAA fishing tackle loyalty card per day worked. Please bring your own refreshments.

All equipment supplied. However, appropriate footwear should be worn.

2020-21 PERMITS

Juniors will need a permit for the new season as we need to have some details of all of our members. There will be two classes of permit with one being under 12 years of age priced at £5.00 and the other 12 to 17 priced at £10.00, You will still be ale to bring your partner at no charge but they must be in the same swim as the member.

We will not be issuing car parking stickers for the new season as we have swapped over to keyed locks and they are not required..

JUNIORS

Now that we have our new coaches in place we will be increasing our "taster days" fishing for any one that wants to come along. These will be held in conjunction with Angling Trust and Canals & Rivers Trust.and will be advertised locally. The dates for these sessions are shown on the Water Bookings on the website.

FLOODS

A reminder to be careful if you are out on the banks especially rivers and please let us know of any breaches of banks or what looks to be a potential threat for the future.

FALLEN TREES .

We have received several reports of these but please let us know via info@rdaa.co.uk or on the facebook page if some are spotted.
