

R&DAA
INFORMATION SHEET
DECEMBER 2020

EC MEETINGS

We are looking to commence these meetings using the Zoom online facility. We have trialled the format this week and apart from some small anomalies have found it to work very well. We will be holding the first meeting on Monday 14th December.

TREASURER

Although not being back to normal Keith is on the road to recovery and is back active for the Association.

NIGHT PERMITS

We have stopped the sale of Gold and Silver permits for the rest of the current season due to high sales that threatened to overwhelm our lakes. The structure and the way we sell these permits will be altered for the new season and these will go on sale with the General Permit in mid May.

MATCHES

Matches will start again when the Tier system comes into force on December 2nd. The first match will be the Association one at Froxfield on Sunday December 6th.

WORK PARTIES

Both of the work parties have restarted and details of how to join are on our facebook page.

SOCIAL MEDIA

A lot of our members refuse to have anything to do with social media but we have to rely on it to get all of our messages out as they happen. You do not have to participate in the messages but please use it only for up to date information. The platform has been worth it especially for the issue of Covid rules.

WATER BOOKING SHEET

We are still waiting for two Club's booking forms so the closing date has been extended to Friday 12th December.

To all of our member and guests RDAA would like to wish you all a Merry Christmas and let's all look forward to a much better 2021.
