

Last Sunday saw our last Association match of the season fished on the Kennet & Avon Canal at Froxfield as a "Teams of Four" event. Ten Teams of Four, making a total of forty anglers were booked in for this match and the match day weather was dry, cold and sunny and there was also a strong and cold westerly wind blowing. The Kennet and Avon Canal had a good colour, and was towing slightly. Heavy rain during the week preceding the match day had significantly dropped the water temperature which ultimately affected the match weights on the day.

Total match weight on the day was 64lbs 5ozs, (at an average weight of 1lb 9ozs per angler. The winning team on the day with 32 points was Adventure & Prestcold A (Geoff Eley, Graham Hawkins, Nick Richardson & Paul Wilding). In second place was TRBLAS Sir Tonys Swingers (Tony Tibble, Liam Page-Smith, Richard Rosinski & John Swift) with 31 points.

Individually the match was tied between Graham Hawkins and George Callaghan who both weighed in 5lbs 9ozs each
